Kamil Bortniczuk

Minister of Sport and Tourism

Ladies and Gentlemen,

After nine years, the European Masters Indoor Athletics Championships are returning to Toruń. From 17 to 23 March 2024 the City of Copernicus will be hosting Europe's best athletes from the masters category.

I am truly pleased that this great sporting event will again be organized by Poland. The masters athletes provide an example of how to enjoy sport and maintain good physical condition. It is of great importance to remain active and practice sport, which positively impacts health and well-being at any age. Activation of citizens and promotion of a healthy and sporty lifestyle among Poles is the main goal of the Ministry of Sport and Tourism. We are successively increasing expenditure on the development of sports infrastructure and grassroots sport. This year, the Ministry of Sport and Tourism has a record budget of nearly 3.5 billion PLN.

Toruń is a well-known place on the map of masters athletics as it has already hosted the World Masters Indoor Athletics Championships twice: in 2019 and 2023. I am convinced that the invaluable experience in holding sports events will translate into top-level organisation of the next year's European Masters Indoor Athletics Championships.

I warmly invite athletes and fans from all over Europe to come to Toruń for the 9th European Masters Indoor Athletics Championships.

Piotr Całbecki

Marshal of the Kujawsko-Pomorskie Region

Welcome to Kujawsko-Pomorskie Region the participants of the 14th European Masters Athletics Championships Indoor Toruń 2024!

I'm glad that our region is the host of such important event. Also I'm proud that here, in Toruń, the veterans of the Queen of Sports from all over Europe have arranged the meeting. The more so that Poland is represented at these competitions by, among others, sports stars from our Region.

Masters athletics has great traditions and modern successes in Kujawsko-Pomorskie. It was the representatives of the Region who made the greatest

contribution to the victory of the Polish national team in the medal classification of the World Indoor Championships 2023. The champs which, in the opinion of the World Masters Athletics authorities and athletes, went down in history as organized at the highest level. We are sure that next year's European Championships will also be organized perfectly.

Kujawsko-Pomorskie Region is a special place on the map of Poland. The heritage of Nicolaus Copernicus, gothic monuments, areas of protected nature and landscape, high-class food production and culinary traditions make up a whole that is not forgotten. I am convinced that the participants of the event and the fans will have unforgettable impressions here and want to visit us in the future. You are always welcome here.

Citius, altius, fortius, faster, higher stronger! Let this Olympic motto, as well as the principles of fair play, guide you during the competition.

Michał Zaleski

Mayor of Toruń

Ladies and Gentlemen!

On March 16, 2024, the 14th European Masters Athletics Championships Indoor will begin at the Toruń Sports and Exhibition Hall. Toruń will once again host one of the most important events in the sport of masters athletes!

To the stars of European athletics we will show Toruń as an important point on the sports map of Poland and the continent, a proven organizer of championship events and having excellent sports facilities at its disposal. I can assure you that also the 14th European Masters Indoor Athletics Championships Toruń, 2024 will be held at the highest world level.

Therefore, I invite athletes, coaches, trainers and fans of athletics to Toruń, so that once again we can experience together great sport emotions in the Arena Toruń, and then enjoy the outstanding qualities of our city - the medieval Old Town - a UNESCO World Heritage Site, the views of the Vistula River, the taste of delicious Toruń gingerbread and the world-famous Copernican tradition.

Waclaw Krankowski

PMA President, LOC General Director

Ladies and Gentlemen

Dear Athletes and Fans

Dear Colleagues

A year ago, at this time, we were preparing for the visit of the WMA authorities and agreed on the details of the contract to organise the 9th World Masters Athletics Championships Indoor. We signed the contract on 29 August 2022. Working with WMA, kindness of Torun Mayor Michał Zaleski and engagement of Polish Masters Athletics contributed to preparing and organizing championships in 6 months

which had a higher standard than in 2019.

This happened because we had a common goal – to organise a competition that meets the expectations of the athletes. After all, it is the athletes who are the most important, and for the organizers the greatest joy is to see their satisfaction.

At the WMA Indoor Championships in 2023, this was achieved because there were no decision-makers issuing orders, no all-knowing WMA activists, no controllers. There were PARTNERS who were aware of a kind of post-ban uncertainty due to the prevailing pandemic, the war in Ukraine and the short time frame for the task. It worked, we all passed the test. Caring for athletes has ensured our success.

Being aware of this fact and these experiences, we would like to once again invite YOU to Toruń. We hope that it will be an extraordinary meeting. Our dream is to make you think that you are going „to your home, to your city, to your friends and acquaintances“. After all, many of you, in such a short period of time (2015, 2019, 2023) will be coming to us for the fourth time, but after all, there will also be 9 vintage „Youngsters“ who we are also very much counting on.

We have proven sports facilities that are conducive to record-breaking results, we have proven teams of organisers, judges and volunteers. We have a beautiful historic city full of monuments and friendly, hospitable inhabitants. All we need for complete happiness is your presence. We have already started counting down the days until our meeting.

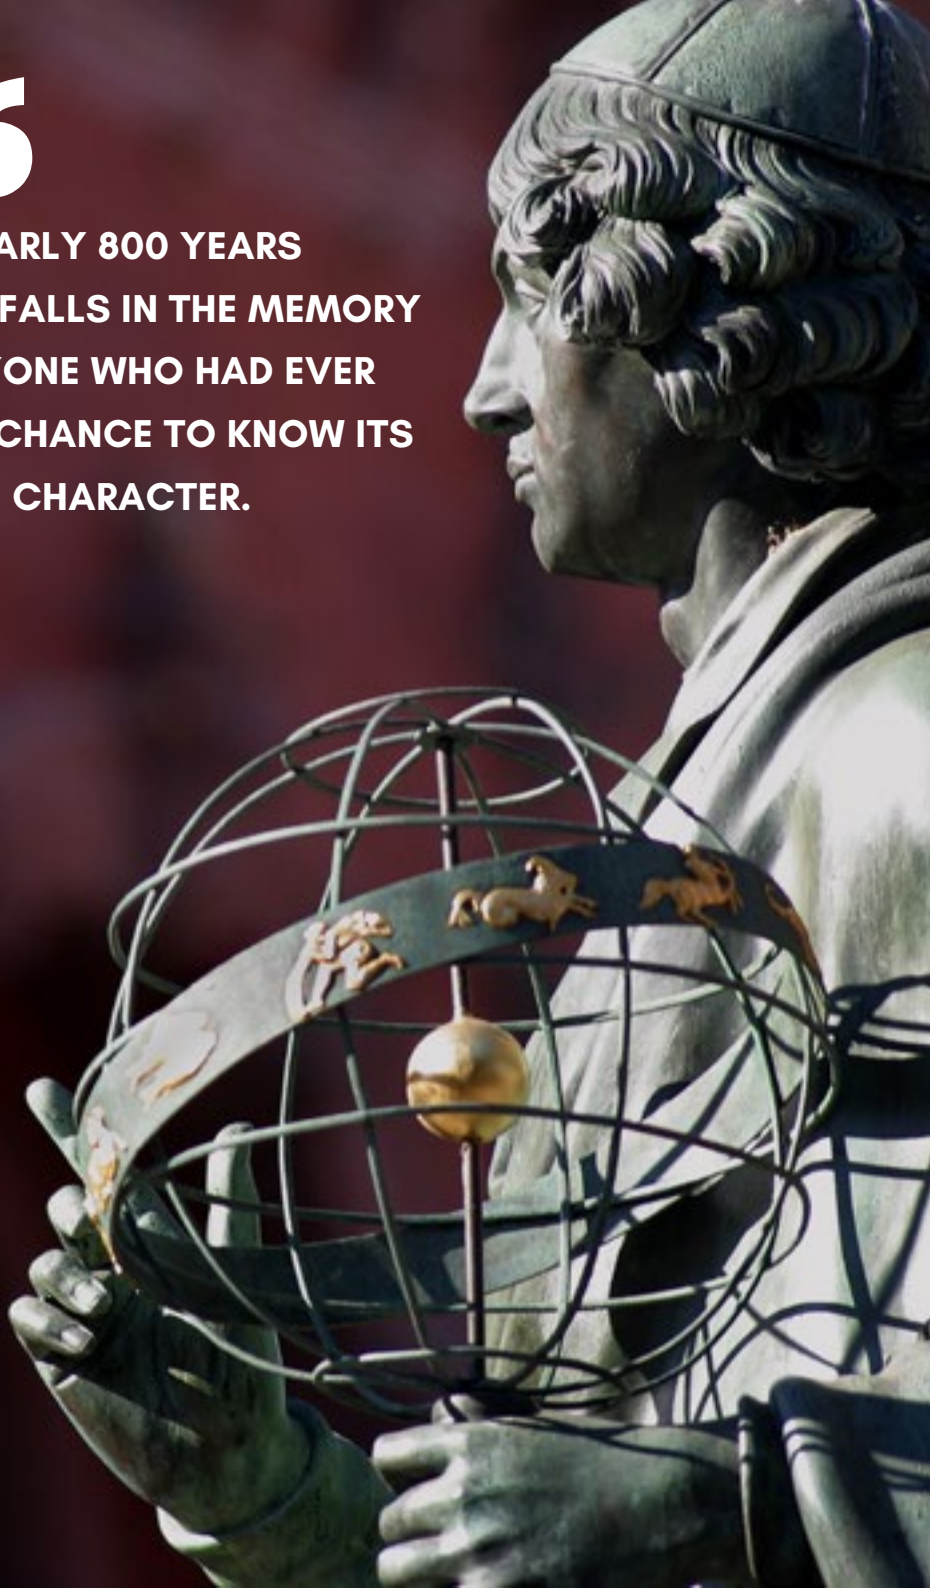

We also have an additional attraction – the year 2024 is the hundredth anniversary of organising the first Marathon run in Poland. On the final day of the European Indoor Championships, the European Marathon Championships will take place on 23 March 2024. You are most welcome to join. We are confident that this will be an extraordinary, historic sporting event.

Knowing the commitment with which you treat sports competition and the need to meet your rivals again, we are convinced that we will meet most of you and you will convince the “Youth” to visit this extraordinary city, the city of master athletes, in Toruń.

We are already looking forward to it - you are cordially invited.

“

FOR NEARLY 800 YEARS
TORUN FALLS IN THE MEMORY
OF ANYONE WHO HAD EVER
GOT A CHANCE TO KNOW ITS
UNIQUE CHARACTER.
