

EUROPEAN MASTERS ATHLETICS

TORUN 2024 EMACI

NON EUROPEAN ATHLETES PARTICIPATION

E.M.A. OFFICIAL STATEMENT

Dear EMA Members, Dear Masters Athletes from all over the world, as you know the European Masters Athletics Championship Indoor Torun 2024 are open to Non European Athletes too.

The participation of the Non European Athletes is however possible under the following conditions:

- lane races (till 800 meters included): participation allowed to the first round only
- 1500 meters: in case of direct final the participation is open; in case of two rounds the participation allowed to the first round only
- other track running events: participation allowed without limitations
- marathon: participation allowed without limitations for all the athletes over 18 (with marathon prizes except EMA titles)
- horizontal jumps: allowed just the first three attempts unless there are less than 8 competitors in an age category – in this case the non Europeans will be allowed to have 6 attempts (with no right to EMA title)
- throwing individual events: allowed just the first three attempts unless there are less than 8 competitors in an age category – in this case the non Europeans will be allowed to have 6 attempts (with no right to EMA title)
- vertical jumps: participation allowed without limitations
- non stadia events: participation allowed without limitations
- combined events: participation allowed without limitations.

The Local Organising Committee will award the Non European Athletes with a special diploma containing the performance too.

Don't miss the opportunity to visit Torun and its old town, and to compete in friendship with Master athletes from all over the world in a beautiful Arena!
