

## **TEAM MANAGER MEETING MINUTES EMACI 2024 TORUŃ**

**Monday 18th MARCH 2024**

### **Opening by Gionavanni Tracaneli**

Gr.Br & NI: 3 written questions: Krzysztof Ratajczyk (LOC):

- about the line for Triple Jump: has been done
- hurdles for 60m.H. in warming-up area: is not possible
- about blocks: has been done

Yesterday there was an issue raised by Germany: heaters at Hammer Throw: it has been solved today.

Please attention to the European Masters Awards that will be presented today (Monday 18th 15:00hrs and 18:00hrs) on the Medal Ceremonies stage.

Norway: please have the attention for the flags on the podium.

For future competitions: in order to make it easier to get the high jump medalists (not 3 golds, 4 silvers, and so on): change the interval from 5cm. to 3cm.

**Ivan Pukšar:** yesterday some issues that occurred were resolved immediately. Two athletes were brought to hospital, but they are fine now.

High Jump: starting height 1,35m. for W45/50, advised by WMA, is too high; EMA will advise WMA to lower it.

For the relays: if possible, try to get the team all in the same uniform (with country name, of course). There was a mistake at the seeding for the 400m.: instead of the qualifying times for the heats, the reasons best times were used. It is changed.

Yesterday the wrong anthem was played for a Spanish gold medalist: apologies for that.

**Vesna Repic** explained the Cross Country presentation (the Power Point presentation is send via the TM's WhatsApp group).

The Composed Team Declaration Forms are due before 17:00hrs. today (Monday).

### **Questions:**

Romania: Cross Country: should athletes stay in the callroom for 30 minutes? (it will be cold, tomorrow). No: just checking the bibs. Will the results be printed and posted? Yes.

The time to appeal is within 1 hour after publishing the results.

EMA Secretary handed over the diploma's for WRs and ERs to the Team Managers.

Starting today future organizers will get a few minutes in the TMs Meetings to tell something about their event.

Rudin Betashin (Albania) gave a presentation about Speed Masters Athletics 23 - 26 May 2024.

Team Manager Meeting Minutes are published on EMACI2024Torun website and on EMA website.
