Pentathlon: W40 and W45 will have the same timetable. The same applies to W55 and W60 and for W75+

About the relays: please give us the provisional number of your teams, before noon today (Thursday), in order to give LOC the possibility to have the bib numbers with country code printed for the last runner of each team.

Relay forms can be copied at the Accreditation Centre. The entry fees can be payed at LOC office: € 20 per team (cash (only Zlotys) or by card).

The order of the mixed relays is: M/W/M/W, as the Handbook says.

Please tell you athletes to bring as less as possible luggage to the callroom, because it will be very busy in the callroom with the relays. So: 'ready-to-start' dressed.
